The CY2002 annual report, normally submitted in January of each year, was submitted in June 2003 due to unexpected and severe administrative problems attributable to the former Executive Director of the 4CEC. This 2003 annual report describes progress on overcoming those problems and progress achieved in 2003. Significant forward progress has occurred with the Moenkopi Commercial Project (#12), Four Corners Monument (#17), Monument Valley Welcome Center (#22), White Mesa Education Building (#23), Utah Navajo Housing Project (#27), Antelope Point Marina Resort (#34), Antelope Canyon Tribal Park Fee Station (#35), Tuba City Historic District Public Library (#38), Regional Solid Waste Clean Up (#40), Montezuma Creek Sewing Plant (#43) and other projects. Cleal Bradford remains in his position as Executive Director. An Action and Monitoring Plan created by the board of directors is in place and will be discussed in this annual report.
